

Growth Marketing Specialist

Data-driven growth marketer with around 4 years of experience driving user acquisition and engagement across paid social, organic content, and creator-led channels. Proven track record managing \$400K+ in annual ad spend, running structured A/B tests to optimize CTR, CVR, and CPA, and building scalable content systems that deliver measurable results. Experienced in executing full-funnel campaigns from brief to launch, collaborating cross-functionally. Proficient in Meta Ads, Rednote Ads, Google Ads, Google Analytics, SEMrush, A/B testing, Python, Claude Code, Canva AI, CapCut, and VEO.

AREAS OF EXPERTISE

Paid Social (Meta, Rednote, Google) | User Acquisition & Retention | A/B Testing & Conversion Optimization | Full-funnel Campaign Content & Creator Strategy | SEO & Organic Growth | Performance Reporting & Analytics | AI Workflow Automation | Bilingual English and Chinese

PROFESSIONAL EXPERIENCE

Weee! | Fremont, CA Jan 2024 – June 2026

Marketing Specialist, Growth, Paid, and Social

- Developed and executed GTM strategies for product launches and seasonal campaigns, contributing to a team driving 300K–400K new users annually; collaborated cross-functionally with Sales, Legal, CS, Buyers, and agency partners to deliver on-time campaign launches.
- Owned and grew 5 social accounts, leading a team of content contractors to produce platform-native content and build scalable content systems that drove 9M+ views, 500K+ engagements, and an average viral post rate of 27.3% annually, growing accounts +55% per year.
- Managed ~\$400K annual Rednote ad spend in partnership with an external agency, achieving 6–8.5% CTR, 5.9% CVR, and a 42.7% lift in booking value.
- Managed social media branded splash screen campaigns generating 1M+ impressions with CTRs of 7.57%–10.68%, 3-4x above platform benchmark; post-campaign analysis revealed 38.9% YoY dormant user reactivation lift.
- Collaborated with the performance marketing team on Meta Ads and Google Ads campaigns, contributing bilingual creative strategy, audience insights, and A/B-tested content assets; Meta Ads collaboration drove 10K+ bookings per month and 107% QoQ growth in new user acquisition during key campaign periods.
- Managed 4 KOL creator partners end-to-end — briefing, performance feedback, and relationship management; creator-led accounts achieved an average engagement rate of 5.5% (above industry benchmark of 3-5%) and viral post rate of 38.1%.
- Built an AI-powered internal tool using Python, Flask, and Claude Code to automate bilingual copy generation and content workflows, reducing production turnaround by ~20%.

ShipSaving | City of Industry, CA Dec 2022 – Sep 2023

Marketing Associate | User Acquisition

- Drove 83% organic traffic growth and 34% non-branded keyword visibility in 6 months via end-to-end SEO strategy — keyword research on SEMrush, guest blogger program, backlink outreach, and toxic link removal via Google Search Console.
- Owned \$4K/month Google Ads budget end-to-end, keyword research, bid management, and ad copy testing; achieved 12% CTR and 9% CVR, bringing in 200+ new SMB users weekly.
- Built Rednote influencer program from scratch, identifying and vetting creators, negotiating partnerships, developing content briefs, and tracking performance; grew Rednote following 120% YoY and lifted engagement 20%.
- Managed Capterra and Gartner review platforms as active conversion levers, running email campaigns to solicit verified SMB user reviews; grew ShipSaving's Capterra presence to 46 reviews with a 4.7/5.0 rating, all from verified SMB customers.

Tripalink | Los Angeles, CA Aug 2022 – Nov 2022

Regional Marketing Specialist | Demand Generation

- Ran 7 UCLA campus activations and 3 community events (200+ attendees at Halloween activation); built co-marketing partnerships with Yami and Fantuan Delivery, helping sales achieve 98%+ occupancy and a 38% renewal rate.
